### Top Tapestry Segments:

#### Boomburbs

The newest additions to the suburbs, Boomburbs communities are home to younger families who live a busy, upscale lifestyle. The median age is 33.7 years. This market has the highest population growth at 5.3 percent annually more than four and one-half times the national figure. The median home value is \$334,829, and most households have two earners and two vehicles. This is the top market for households to own projection TVs, MP3 players, scanners, and laser printers as well as owning or leasing full-sized SUVs. It is the second-ranked market for owning flat-screen or plasma TVs, video game systems, and digital camcorders as well as owning or leasing minivans. Family vacations are a top priority. Popular vacation destinations are Disney World and Universal Studios, Florida. For exercise, residents play tennis and golf, ski, and jog.

#### Suburban Splendor

These successful suburbanites are the epitome of upward mobility, just a couple of rungs below the top, situated in growing neighborhoods of affluent homes with a median value of \$442,916. Most households are composed of two-income, married-couple families with or without children. The population is well educated and well employed, with a median age of 41.5 years. Home improvement and remodeling are a main focus of Suburban Splendor residents. Their homes feature the latest amenities and reflect the latest in home design. Residents travel extensively in the United States and overseas for business and pleasure. Leisure activities include physical fitness, reading, visiting museums, or attending the theater. This market is proactive in tracking investments, financial planning, and holding life insurance policies.

#### **Exurbanites**

Open areas with affluence define these neighborhoods. Empty nesters comprise 40 percent of these households; married couples with children occupy 32 percent. Over half of the householders are between the ages of 45 and 64 years. The median age is 44.8 years. Approximately half of those who work hold professional or managerial positions. The median home value is \$288,301; the median household income is \$88,531. Financial health is a priority for the Exurbanites market; they consult with financial planners and track their investments online. They own a diverse investment portfolio and hold long-term care and substantial life insurance policies. Residents work on their homes, lawns, and gardens. Leisure activities include boating, hiking, kayaking, playing Frisbee, photography, and bird-watching. Many are members of fraternal orders and participate in civic activities.

#### **In Style**

In Style residents live in affluent neighborhoods of metropolitan areas. More suburban than urban, they nevertheless embrace an urban lifestyle. Townhome ownership is more than double that of the national level; however, more than half of the households are traditional single-family homes. Labor force participation is high, and professional couples predominate. The median household income is \$72,326. Nearly one-third of these households include children. The median age is 40.3 years. In Style residents are computer savvy; they use the Internet daily to research information, track investments, or shop. They own a diverse investment portfolio, contribute to retirement savings plans, and hold long-term care and life insurance policies. They enjoy going to the beach, snorkeling, playing golf, casino gambling, and domestic travel.

#### **Cozy and Comfortable**

Cozy and Comfortable residents are settled, married, and still working. Many couples are still living in the pre-1970s, single-family homes in which they raised their children. Households are located primarily in suburban areas of the Midwest, Northeast, and South. The median age is 42.1 years, and the median home value is \$174,687. Home improvement and remodeling are important to Cozy and Comfortable residents. Although some work is contracted, homeowners take an active part in many projects, especially painting and lawn care. They play softball and golf, attend ice hockey games, watch science fiction films on DVD, and gamble at casinos. Television is significant; many households have four or more sets. Preferred cable stations include QVC, Home & Garden Television, and The History Channel.

#### **Sophisticated Squires**

Sophisticated Squires residents enjoy cultured country living in newer home developments with low density and a median home value of \$268,921. These urban escapees are primarily married-couple families, educated, and well employed. They prefer to commute to maintain their semi-rural lifestyle. The median age is 38.3 years. They do their own lawn and landscaping work as well as home improvement and remodeling projects such as installing carpet or hardwood floors and interior painting. They like to barbeque on their gas grills and make bread with their bread-making machines. This is the top market for owning three or more vehicles. Vehicles of choice are minivans and full-sized SUVs. Family activities include playing volleyball, bicycling, playing board games and cards, going to the zoo, and attending soccer and baseball games.

#### **Aspiring Young Families**

Aspiring Young Families neighborhoods are located in large, growing metropolitan areas in the South and West, with the highest concentrations in California, Florida, and Texas. Mainly composed of young, married-couple families or single parents with children, the median age for this segment is 30.6 years. Nearly half of the households are owner-occupied, single-family dwellings or townhomes, and over half are occupied by renters, many living in newer, multiunit buildings. Residents spend much of their discretionary income on baby and children's products and toys as well as home furnishings. Recent electronic purchases include cameras and video game systems. Leisure activities include dining out, dancing, going to the movies, attending professional football games, fishing, weight lifting, and playing basketball. Typically, vacations would include visits to theme parks. Internet usage mainly involves chat room visits.
