#### Top Tapestry Segments:

##### Boomburbs

The newest additions to the suburbs, Boomburbs communities are home to younger families who live a busy, upscale lifestyle. The median age is 33.7 years. This market has the highest population growth at 5.3 percent annually more than four and one-half times the national figure. The median home value is \$334,829, and most households have two earners and two vehicles. This is the top market for households to own projection TVs, MP3 players, scanners, and laser printers as well as owning or leasing full-sized SUVs. It is the second-ranked market for owning flat-screen or plasma TVs, video game systems, and digital camcorders as well as owning or leasing minivans. Family vacations are a top priority. Popular vacation destinations are Disney World and Universal Studios, Florida. For exercise, residents play tennis and golf, ski, and jog.

##### Sophisticated Squires

Sophisticated Squires residents enjoy cultured country living in newer home developments with low density and a median home value of \$268,921. These urban escapees are primarily married-couple families, educated, and well employed. They prefer to commute to maintain their semi-rural lifestyle. The median age is 38.3 years. They do their own lawn and landscaping work as well as home improvement and remodeling projects such as installing carpet or hardwood floors and interior painting. They like to barbeque on their gas grills and make bread with their bread-making machines. This is the top market for owning three or more vehicles. Vehicles of choice are minivans and full-sized SUVs. Family activities include playing volleyball, bicycling, playing board games and cards, going to the zoo, and attending soccer and baseball games.

#### Suburban Splendor

These successful suburbanites are the epitome of upward mobility, just a couple of rungs below the top, situated in growing neighborhoods of affluent homes with a median value of \$442,916. Most households are composed of two-income, married-couple families with or without children. The population is well educated and well employed, with a median age of 41.5 years. Home improvement and remodeling are a main focus of Suburban Splendor residents. Their homes feature the latest amenities and reflect the latest in home design. Residents travel extensively in the United States and overseas for business and pleasure. Leisure activities include physical fitness, reading, visiting museums, or attending the theater. This market is proactive in tracking investments, financial planning, and holding life insurance policies.

#### Milk and Cookies

Milk and Cookies households are composed mainly of young, affluent married-couple families. Approximately half of the households include children. The median age for this market is 34 years. Residents prefer single-family homes in suburban areas, chiefly in the South, particularly in Texas. Smaller concentrations of households are located in the West and Midwest. The median home value is \$148,781. Families with two or more workers, more than one child, and two or more vehicles is the norm for this market. Residents are well insured for the future. The presence of children drives their large purchases of baby and children's products and timesavers such as fast food. For fun, residents play video games, chess, backgammon, basketball and football, or fly kites. Favorite cable channels include Toon Disney, The Discovery Health Channel, ESPNNews, and Lifetime Movie Network.

#### Crossroads

Young families living in mobile homes typify Crossroads neighborhoods, found in small towns throughout the South, Midwest, and West. These growing communities are home to married-couple and single-parent families. The median age is 32.1 years. Homeownership is at 75 percent, and the median home value is \$73,224. More than half of the householders live in mobile homes; 36 percent live in single-family dwellings. Employment is chiefly in the manufacturing, construction, retail trade, and service industries. Many homes have dogs. Residents generally shop at discount stores but also frequent convenience stores. They prefer domestic cars and trucks, often buying and servicing used vehicles. Residents go fishing, attend auto races, participate in auto racing, and play the lottery. An annual family outing to SeaWorld is common.

#### Rural Resort Dwellers

Favoring milder climates and pastoral settings, Rural Resort Dwellers residents live in rural, nonfarm areas. These small, growing communities mainly consist of single-family and mobile homes, with a significant inventory of seasonal housing. This somewhat older market has a median age of 47.1 years. Most households consist of married couples with no children living at home or singles who live alone. A higher-than-average proportion of residents are self employed and work from home. The median household income is \$47,908. Modest living and simple consumer tastes describe this market. The rural setting calls for more riding lawn mowers and satellite dishes. Lawn maintenance and gardening is a priority, and households own a plethora of tools and equipment. Many households own or lease a truck. Residents enjoy boating, hunting, fishing, snorkeling, canoeing, and listening to country music.

#### Green Acres

A 'little bit country', Green Acres residents live in pastoral settings of developing suburban fringe areas, mainly in the Midwest and South. The median age is 40.7 years. Married couples with and without children comprise most of the households, which are primarily in single-family dwellings. This upscale market has a median household income of \$65,074 and a median home value of \$197,519. These do-it-yourselfers maintain and remodel their homes, painting, installing carpet, or adding a deck, and own all the necessary tools to accomplish these tasks. They also take care of their lawn and gardens, again, with the right tools. Vehicles of choice are motorcycles and full-sized pickup trucks. For exercise, residents ride their bikes and go water skiing, canoeing, and kayaking. Other activities include bird-watching, power boating, target shooting, hunting, and attending auto races.

Residents enjoy boating, hunting, fishing, snorkeling, canoeing, and listening to country music.

#### Midland Crowd

Approximately 11.9 million people represent Midland Crowd, Community Tapestry's largest market. The median age of 37 is similar to the US Median. Most households are composed of married-couple families, half with children and half without. The median household income is \$50,462. Housing developments are generally in rural areas throughout the United States (more village or town than farm), mainly in the South. Home ownership is at 83 percent. Two-thirds of households are single-family structures; 28 percent are mobile homes. This is a somewhat conservative market politically. These do-it-yourselfers take pride in their homes, lawns, and vehicles. Hunting, fishing, and woodworking are favorite pursuits. Pet ownership, especially birds or dogs, is common. Many households have a satellite dish, and TV viewing includes various news programs as well as shows on CMT and Outdoor Life Network.
